

Hypocortisolism

Hypothalamus

Tertiary adrenal insufficiency

Hypothalamic dysfunction | 12591000146100 | E23.3 |
Isolated CRH deficiency | 12581000146102 | E23.3 |

Central adrenal insufficiency

Pituitary gland

Secondary adrenal insufficiency

Secondary adrenal insufficiency | 16685009 | E23.3, E35.1*, E27.4 |
Secondary adrenal insufficiency following pituitary operation | 12671000146103 | E89.3, Y83.8, E35.1*, E27.3 |
Secondary adrenal insufficiency following radiation therapy | 12651000146106 | E89.3, Y84.2, E35.1*, E27.4 |
as a result of Sheehan's syndrome | 12641000146108 | E23.0, E35.1*, E27.4 |
as a result of bleeding | 12601000146105 | E23.6/E35.1/E27.4 | *as a result of hypophysitis* | 12611000146107 |
E23.6/E35.1/E27.4 | *following apoplexia* | 12621000146102 | E23.6, E35.1*, E27.4 |
as a result of an infiltrative disease | 12631000146100 | E35.1*, E27.4 |
as a result of metastases in the pituitary gland | 12681000146101 | C79.8, E35.1*, E27.4 |
Isolated ACTH deficiency | 12661000146109 | E23.0, E35.1*, E27.4 |

Steroid-induced adrenal insufficiency

Steroid-induced adrenal insufficiency | 12581000146102 | E23.3, E35.1*, E27.4 |

Medication-induced adrenal insufficiency | 190524001 | E27.3 |

Adrenal glands

Primary adrenal insufficiency

Primary adrenal insufficiency, Addison's disease | 76715008 | E27.1 |
Immune-mediated adrenalitis | 76715008 | E27.1 | *Autoimmune polyglandular syndrome type 1* | 11244009 |
Autoimmune polyglandular syndrome type 2 | 83728000 |
Autoimmune polyglandular syndrome type 4
Adrenal insufficiency | Adrenal insufficiency due to bleeding, infectious adrenalitis | E27.49 |
Waterhouse-Friderichsen syndrome | Medication-induced adrenal insufficiency | 190524001 | E27.3 |
Adrenal insufficiency due to infiltrative disease, Adrenal insufficiency due to adrenal metastases, Congenital adrenal hypoplasia | 93235007 | Q89.1 | *Bilateral adrenalectomy.*

Adrenogenital syndrome / 21-hydroxylase deficiency | Congenital adrenal hyperplasia (CAH) | Cytochrome B5 deficiency, PAPSS2 deficiency, CAH-POR deficiency, CAH-3-beta-hydroxysteroid deficiency, CAH-CYP17 deficiency, CAH-11-beta-hydroxylase deficiency.

Triple A / AAA syndrome | Adrenoleukodystrophy (ALD) / Adrenomyeloneuropathy (AMN), Primary generalized glucocorticoid resistance, Sitosterolemia | 238104009 | E78.0 |
Wolman disease, Kearns-Sayre syndrome (KSS), IMAGE, Smith-Lemli-Opitz syndrome.

Addison crisis / Adrenal crisis

Addison crisis

Hypercortisolism

Hypothalamus

Exogenous Cushing's syndrome

Medication-induced Cushing's syndrome / Iatrogenic Cushing's syndrome |

Pituitary gland

Cushing's disease

Cushing's disease / pituitary-dependent Cushing's disease | 190502001 | E24.0 | ACTH producing pituitary adenoma

Adrenal glands

Cushing's syndrome

Cushing's syndrome / Cushing due to adrenal tumour | Hyperactivity of adrenal cortex | ACTH-independent macronodular adrenal hyperplasia | 237778003 | E24.8

Cushing's syndrome in association with MEN1, Carney complex, FIPA, MEN4, Li-Fraumeni syndrome, Beckwith-Wiedemann syndrome.

Cyclical Cushing's syndrome

Cyclical Cushing's syndrome | 237736009 | E24.8 |

Hyperactivity on the HPA axis

Alcohol-induced pseudo-Cushing | 237737000 | E24.9 as a result of depression, anxiety disorders, OCD as a result of morbid obesity

Ectopic Cushing's syndrome

Ectopic ACTH Cushing's syndrome due to ectopic production of ACTH | Ectopic CRH Cushing's syndrome due to ectopic production of CRH | ? | E24.8 |

Other adrenal gland diseases

Hypothalamus

Pituitary gland

Adrenal glands

Adrenal gland, general

Adrenal adenoma |
Adrenal incidentaloma | [97881000119105](#) | [D44.1](#) |
Non-functioning adrenal tumour |
Benign adrenal neoplasm / tumour |
Malignant adrenal neoplasm / tumour |

Adrenal cortex

Androgen-producing adrenal tumour |
Primary hyperaldosteronism / Conn's disease |
Hypoaldosteronism |
Malignant adrenal cortex neoplasm |

Adrenal medulla

Hyperactivity/hyperfunctioning of adrenal medulla |
Pheochromocytoma |
Metastasized pheochromocytoma | [12821000146101](#) | [C74.1](#), [C79.9](#), [M8700/3](#) |
Malignant adrenal neoplasm / tumour |
